WELCOME FRIENDS

THIS IS ME!

Hello and Welcome! I'm Jaimi Bailey, Owner and Photographer of Jaimi Bailey Photography! I'm so excited that you are ready to learn, especially from ME! I believe that getting to know my clients is the #1 way to ensure an awesome experience, I'd love to tell you a little about me! Here are a few things you should know!

- I LOVE Tequila! Haha. Seriously, Tacos, Margs, and Guac for life!
- I have an abnormal obsession with cleaning.
- I shoot between 5-10 weddings a year.
- I'm more of a "Little coffee with my sugar" kinda gal.

THE *Mentoring* EXPERIENCE

IN THIS TOGETHER | You are not alone, my sweet friend.

Whether you're a mom who just wants to know how to take pictures of your children, to the gal who's ready to start her own business, IM HERE! I've thought a lot about mentoring over the last couple of years, even had handfuls of fellow photographers asking me for help. So I'm jumping in, and praying that this is what the Lord has planned for me. Servicing others is a big deal, and it's time that I pour my heart into doing so. My hope is that there is something here for everyone, and that you all can benefit from what I've learned so far.

THE PROCESS | My goal is to make sure that you get a mentoring session that's just right for you. I don't want you investing in me and not getting the thing you need most out of it. I will first send you a questionnaire, this will give me a good idea of where you're at with your photography. Once I've received your answers, we'll schedule a time for a quick chat, where we will find the right mentoring package for you. When we've agreed upon a package, we'll pick a date, and then I'll send out your invoice.

Random Fact #1

I'm absolutely the worst cook there ever was. I'm a take out Queen.

THE
EXPERIENCE

I

We'll get together and chat about what you specifically want to learn, but topics can range from marketing, client experience, editing etc.. Then we'll grab our gear you'll get to shoot a session with me. This way I can coach you and give you feedback. This also comes with headshots (yay!). This session is *ideal* but not limited to, experienced photographers local to Raleigh.

5 Hrs \$850

II

Q&A style Skype session where we'll focus on whatever you want to know. Topics can range anywhere from posing, finding good lighting, how to set expectations with your clients, social media marketing, finding your ideal client, etc.. You name it, we can talk about it. This session is ideal for non-local beginners who are looking to invest in their education and learn more about how to run a photography business. *(If you do happen to be local, we'll do this session in person instead!)*

2hrs \$550

III

Hands on coaching, this is for beginners, looking to master their camera. We'll meet up and go over the basics, I'll answer any questions you have. You literally might not have even taken your camera out of the box! Also and this is big, but I am a Canon user, I unfortunately am not knowledgeable about any other brands.

1.5 Hrs \$450

**The full fee is due at time of booking to ensure your session with me.

Random fact #2

I have all 10 seasons of FRIENDS memorized, and I may or may not be proud of that.

THE EXPERIENCE

Jag's

WHERE :

Time and place is thoroughly discussed and depends on which Mentor session is good for you. Most of them can be done in either of our homes. Coffee shops are certainly fine, but sometimes too crowded and loud, but it's certainly not being counted out!

SHOOTING :

If you are choosing a mentor session that includes shooting with yours truly, then here's the deal. You can keep, edit, and share everything you shot! I will require you note that it was with a mentoring session with Jaimi Bailey Photography.

COVERAGE :

Each session will be catered to your needs. I will get a good idea of where you're at and what you might need to know, if you're not already inquiring about it. I want to give you all the tools to be successful!

MY SHOOTING STYLE :

I do my best to always be in control of the session as well as never letting my clients sit in silence. They always know what I'm doing, from switching lenses to getting all up in their personal space. My style is very classic, and that's the type of ideal client I market to.

BOOKING :

Once I have answered any questions you may have and you have decided that my work and myself is exactly what you're looking for, the next step is a booking. I will create an invoice and email it to you. Payment is always due at time of booking, this is to ensure your time with me.

Thank You

I'm so glad you contacted me! My goal is to give you tools to help lift you in business or giving you the knowledge to capture pictures of your loved ones! So CHEERS to you, and the incredible time we're about to have!
